

Dream Realized [Vision in Action] By AddressHealth [AH]

A Private Public Health Service Provider – Bengaluru; Karnataka,
Dr Narayana Holla, Professor & HOD; Dept Of Community Medicine, Sullia, Dakshina Kannada.

**Making of an Inter District Outreach Model for administering SputnikV™ Vaccine
requiring -18°C to -25°C:
12 Aug 2021**

CEO of AH, Dr Anand, Public Health specialist, explaining to the organizers the mobile cold chain arrangement at subzero temperature extended from the fixed facility level to the outreach level.

On successful completion of outreach activity [300 first dose + 7 second dose] ~300KM away from AH HQ at Bengaluru, the CEO and the team was heartily felicitated by the organizers.
