

Dream realized: Celebration of “EuVac Baby Award Ceremony” in KVG Medical College, Sullia, Dakshinakannada, Karnataka, Dr Narayana Holla & the team.

Proem: As announced earlier in August 2018, author with the help of his team could realize the dream and celebrated “*EuVac Baby Award Ceremony*” today in our Medical College.

Context and the dream: Baby Laasya was born on 30th March 2017. Her mother Mrs Chaitra C.G; W/O Mr Vasantha B brought Laasya exactly on due date till the completion of booster dose. Mother’s commitment and sustenance till the completion of booster dose inspired the author to felicitate all such mothers at an appropriate occasion – either on World Immunization day or on Children’s day. Today KVG team could realize the dream and we wish to share the Glimpses of the occasion.

Mothers who were identified well in advance were invited personally by the team to participate in this programme. 50 EuVaccinees were invited, 35 could attend the function; a few with father too.

Registration was done, certificates were made ready by the Staff Nurses: Shobitha & Sajitha.

Dr KV Chidananda, Medical Director, lighted the lamp while Dr Aishwarya invocated. M.D. also click started the PPT. Dr Holla, Professor and Immunization Officer, narrated briefly as to how timely vaccination of baby Laasya by her mother, Mrs Chaitra C.G inspired to felicitate such devoted mothers on this occasion of Children’s day. Thaicard and the Combo-Card [HBR] incorporated with cells to write due date enabled the parents to bring their children exactly or closer to due date vaccinating close to the schedule, attaining timely completion and no dropout. Block Medical Officer Dr Subramanya, AMO Dr Bhanumathi of CHC Sullia, Heads of Pediatric, OBG & other Departments, Dean Dr Satyavathi K, Professor Emeritus Dr Sheela G Nayak, IMA President Dr Sayi Geetha.. all actively participated, distributed the certificates and gift to the mothers. Dr Kriti Bhat, Dr Shahsikala, Asst Professors, mastered the ceremony.
