

Myanmar: Developing leaders and HR capacity for effective supply chain management - challenges and opportunities

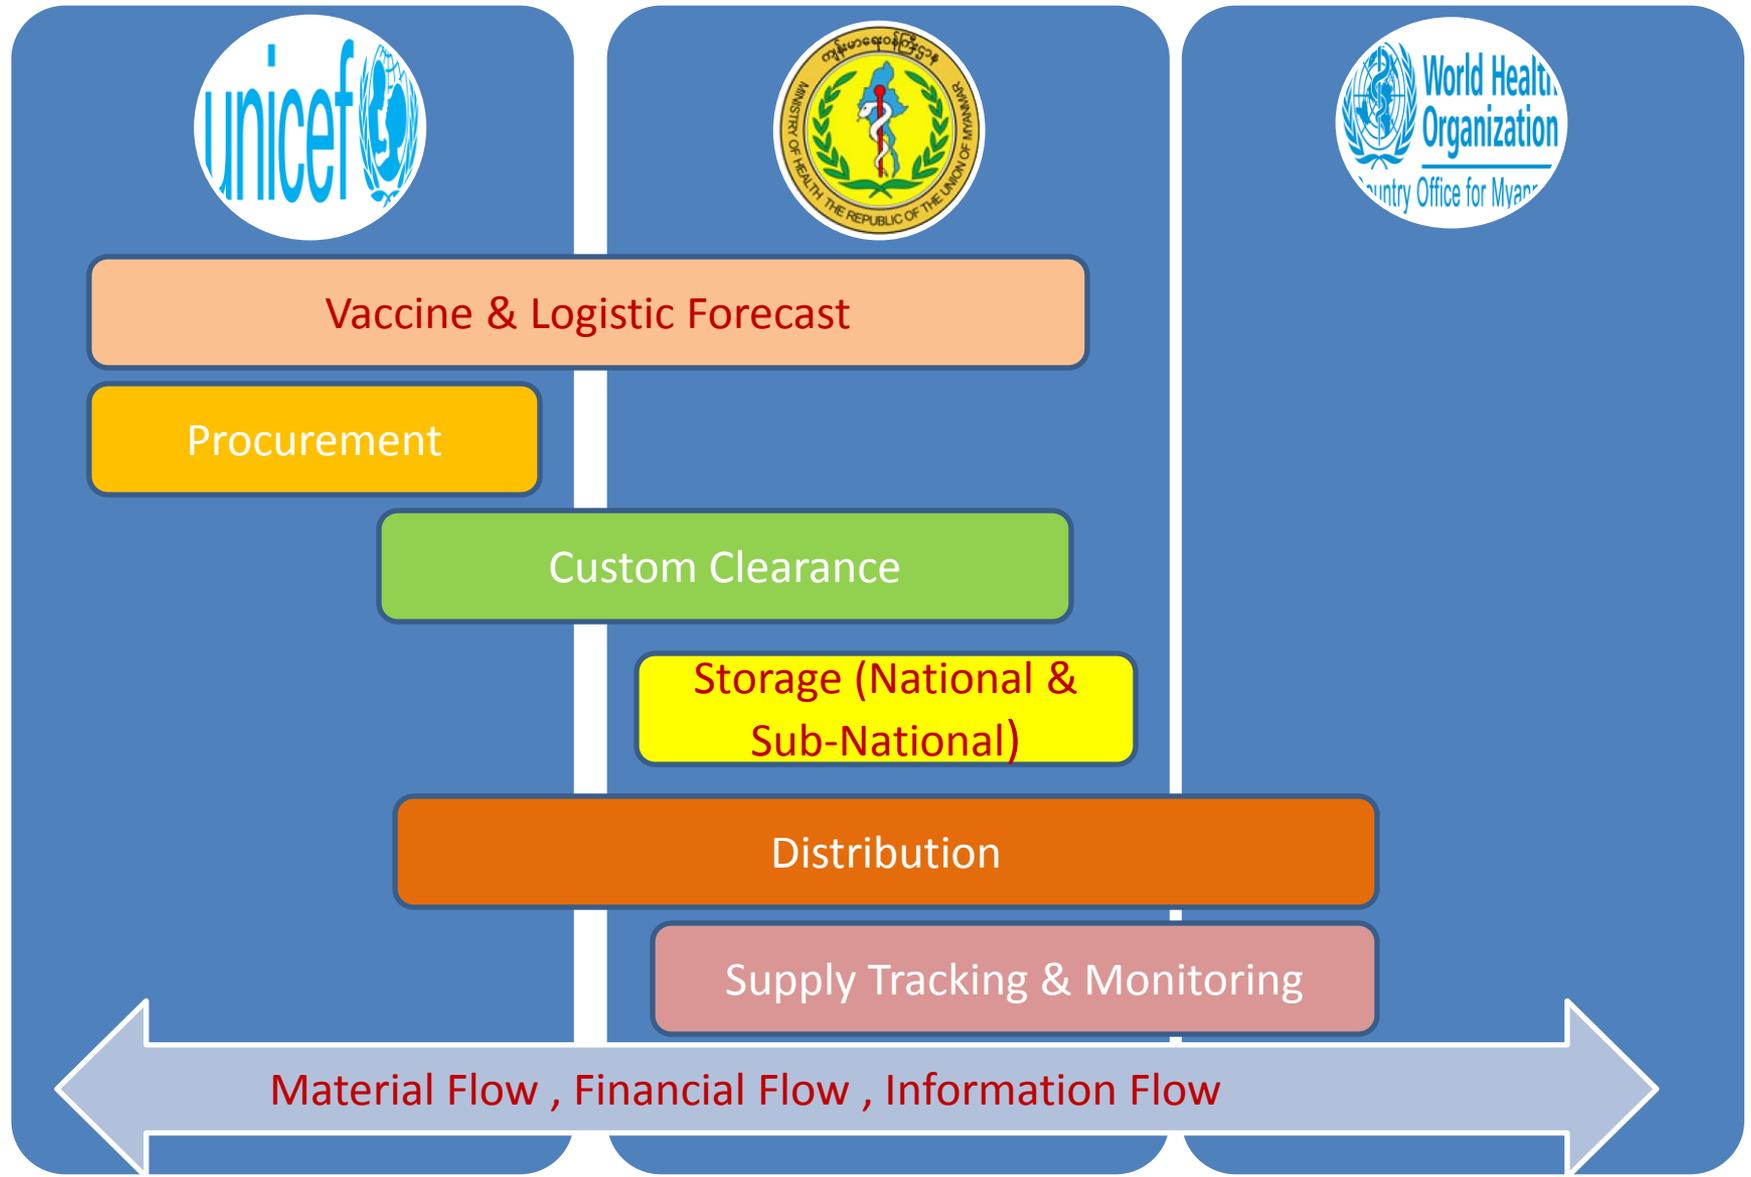

*Presented by Dr Kyaw Kan Kaung
EPI Manager, Ministry of Health*

Myanmar- National Medical Supply Chain Management

Level of Staff and Responsibility

Myanmar EPI Supply Chain Management Role and Function

Challenges

HR Capacity

- 1 Limitation of HR capacity at Central Level and Sub-National Level
- 2 Lack of proper logistic management training
- 3 Supply focal at Sub-National and Township has been multiple tasked

Infrastructure

- 1 Limited space , National , Sub- National ,
- 2 Limited delivery facility
- 3 Manual recording and reporting , Feedback

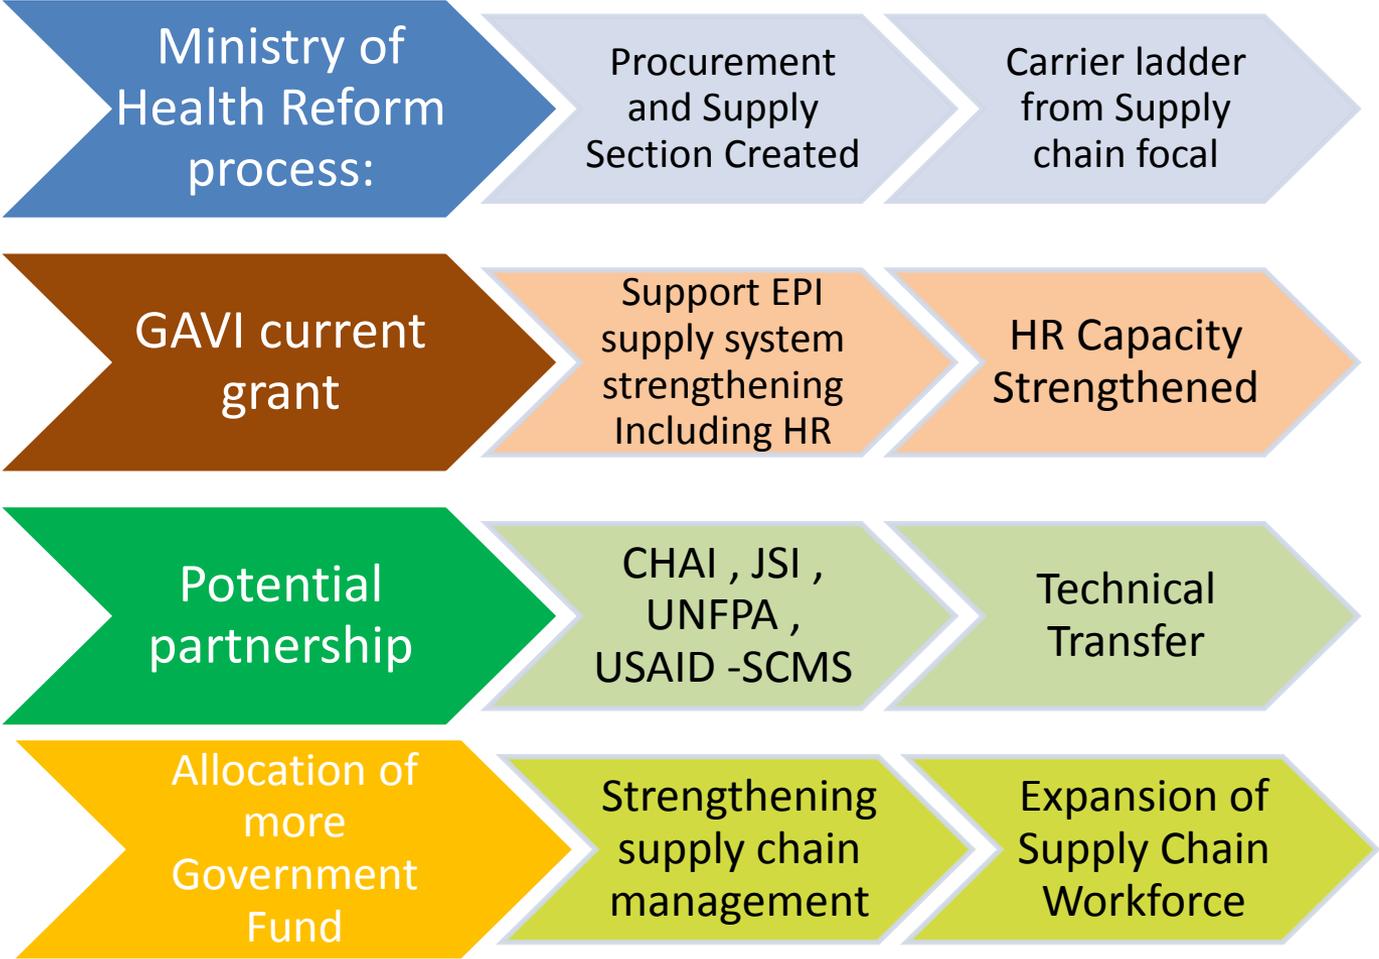

Supply Chain Management

- 1 Different Procurement Agencies / Mechanism
- 2 Fragmented supply management by multiple Partners
- 3 Weak to follow Standardized Equipment / Drug?
- 4 End-user feed back not use for future procurement

Funding

- 1 Less proportion to contribute from Government Budget
- 2 Funding is not allocated to EPI directly but to National Medical Supply Chain Management

Opportunity

ကုန်ဆောင်နိုင်ခြင်း

သားသမီးအပေါ်မေတ္တာထား ကာကွယ်ဆေးဖြင့် ရောဂါတား

ကလေးများကို.....

မိမိတို့နှင့် မိမိတို့၏ သားသမီးများအား အန္တရာယ်ကင်းစင်စေရန်အတွက် နေ့စဉ် ဝက်သစ်ဆေးဖြင့်
ကာကွယ်ဆေး ကာကွယ်ဆေး(၁)မျိုးကို အခြားမရှိဘဲ ထိုးပေးပါ။
