Les Pensières
Center for Global Health
Annecy, France

9-20 May 2022

Application deadline:
15 November 2021

CONTACT:

E-mail: advac@unige.ch

Website: www.advac.org

ADVAC is a two-week training programme for decision-makers, including academia, industry, governmental and non-governmental agencies. The Course aims to facilitate critical decision-making in vaccinology by providing participants with a comprehensive overview of the various aspects of vaccinology (immunology, vaccine development, clinical trials, regulatory processes, vaccine-specific issues including new vaccines, vaccination strategies and policies, programme implementation, humanitarian emergencies, social, economic, political and ethical issues, financing, and communications...)

Registration for the course will open on the website (www.advac.org) on **July 1, 2021** and will close on **November 15, 2021**
